MESSAGE FROM LAURALEI – GOT LOVE HANDLES?

EMOTIONAL HEALING ATTUNEMENT: Love handle thing is a thought form. It's a real thing. Created by everybody. When our loved ones hurt us, we put that energy here. I am just pulling it out and dissolving it. I am pulling out the energy that is being deposited here. Everybody stores the emotional stuff from loved ones here. We must take out the bad energy and then we will heal the emotional body. All the major and minor chakras need to be balanced. Open all the minor chakras in the back, then you are going to go to the sides and get rid of the negative energy that comes from loved ones here in the love handles. It gets smaller, you can do one side to show them the difference. Then you go to the middle back heart chakra area and that is where you are connected to the emotional body and you are going to follow the cord to the emotional body which is very small and to go to the emotional body and put your astral hands around it. And you are going to have Gods light and love flow down and into that emotional body until it gets really really warm in your astral hands until it will begin to cool off and when it begins to cool off the energy has been restored. But your real hands are going to be right here where the cord to the emotional body is, with your palm chakra right here keeping it open because people have the tendency to shut it. When it is fixed, it will cool off.

SPIRITUAL CHANNELING THRU LAURALEI HOW TO CONNECT A CLIENT TO THEIR ANGEL

You have to (if you teach an archangel class) you are going to have to stick with the four archangels representing the four directions, the four elements. The most commonly known archangels and work with each person: like what you would do for the channeling attunement. Except you would work with each person with one of the four archangels. We don't want to expand past that because there is a whole range and the energies are very very different. But because of the four that are commonly known also contain elements or represent elements that are from the planet and from the earth, those will be the easiest ones to work with. So, you have how to contact or how to get in touch with your archangel and so you are going to basically stick with Uriel, Michael, Ariel, and Gabriel. We want to get those four down and then we are going to work on attuning into some of the other archangels. But everyone has at least some connection to one of those four. Especially if you are going to go to the hall of masters. That is also a good meeting place for the archangels. What you want to do when you teach the class, you want to explain that while they have other

archangels, the archangels that represent the elements are the four that you are going to work with and each person will have one of them as their guide. Most archangels have connections to the people on the planet and they are either very small or nonexistent. Surprisingly, Catholics have a stronger connection to most of them than everyone else. The connections are very small and so we want to increase those cords or connections and bring the vibration of that archangel into the person. Once you have brought it into the person then you can give them a message from the archangel. So, what you are going to do is stand behind them and put your hands on his temples, you want to say each angels name: Michael, Gabriel. Uriel, Ariel. Until you feel a tingle or a twinge. So now you are going to go the top of the head and you are actually going to call Ariel. (Ariel, Ariel, Ariel, Ariel) and you are going to pull her energy with your astral hands into his body to his throat. And then you sit Infront of him and you hold hands and you want him to sit there for a moment in that angels energy and just let the angels energy adjust anything that it wants to in him and tell him that's what's going on. So, you are going to sit in silence for a minute while the angel does the work. And then while the angel is doing the work you are going to ask her what message she has for him. In order to get that message you are going to have to bring it into the top of your head and so the two of you together are going to hold more of that angel energy and so you should have a stronger cord or connection and therefore you should be able to head it a little bit louder. So just relax. Then when you start talking you say: Ariel wants you to know....then say the message that they have for them.

PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION **AVAILABLE WITH DAVID - CALL & SCHEDULE!**

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exist as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

***HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place by your bed or desk, somewhere where you spend a lot of time & let it do its work!
