### **MESSAGE FROM LAURALEI – Love Yourself More**

As I have gotten older, I have a lot of regrets. Most of them have to do with not responding to those I love, with love. I don't know how you go back and love another more, but I do know you can love yourself more. I think almost all of my negative reactions to others has to do with my inability to love myself enough. We tend to judge ourselves harsher than others do, in my case I think the opposite occurs for the most part. Knowing the way, is easier for me, I have had the best teachers, keeping it in perspective is a harder matter. I recently did a meditation in which I allowed all of the different parts of me to love myself, even the physical flawed one. Wake up each day and know that you are the most important person in your life.

More From Oden (3-21-13)

God does not give you bad karma, that comes from your higher self or your own experiences. If you used magic to hurt someone in a previous life or used your gifts in a bad way than you come in your next life using your gifts to help others./ You can affect change on the physical planet. You can manipulate energy on different levels to put in positive experiences in someone's life. You can learn how to close down the path ways that a person is walking on that end in disaster. You can use energy to heal and manifest positive influences in others lives. The thing about bending spoons is that it is confirmation. You can put positive thought forms in a person's life and in your own life and change the path in a positive way. You can use that energy to heal not only illness but you can use it to heal lack of confidence, you can use it to heal

self-esteem. It is changing the vibrational frequency. You can not destroy energy. You can raise its frequency and change it. It is almost the same thing as a prayer. Usually when we pray for someone we don't ask their permission, we just do it. A prayer is a high vibration of light and we send that energy through what we call a prayer to that person. The higher self or subconscious mind can choose to accept that gift or not. It is all about intention and it is all about the receiver. Everything is energy, everything is a frequency and we don't have to have the lower frequencies in our energy field. We pick up so many lower frequencies from others not intending to take them but because of free will we don't always have a lot of choice about the people we live with and they affect our energy. Use your free will to create a higher vibration and understanding that you can either be a victim of life and let things happen to you or you can be spiritually conscious and change your vibrations and make things happen for you. It is about being the master of your life. Teaching others to be the mastership of their lives./ When you have an old soul, let's say you only have about 5 lifetimes left, and let's say you've come to learn to heal and help others and instead you use your free will to sell drugs and get other people involved in drugs and now you are creating karma and instead of 5 more lifetimes you have 10. So than you do more and now you have 15 more lifetimes. The soul or spirit will than say this is not good. Let's die before we create anymore lives and go study and learn and be with our lives and cut off this lifetime shorted so we don't keep adding lifetimes when we were so close to concluding./ Eventually guns are going to go but it is not soon. I feel that there is going to be a lot of gun violence in the next several years until they are removed from the system. There will be a lot of violence.

#### **PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION** **AVAILABLE WITH DAVID - CALL & SCHEDULE!**

**WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE!** How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exist as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

**\*HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least

3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place by your bed or desk, somewhere where you spend a lot of time & let it do its work!
