MESSAGE FROM LAURALEI : **ARIEL- PLANET LOVE** Hello. I am Ariel. I am happy to be with you all and I just want to take a moment and look at all of you and think about balancing your spirit in the physical body and in the physical plane. It is sometimes very difficult to make a transition from one plane to another and it can be even harder to stay in this particular plane because of all of the discomfort and aggression and discourse on this particular plane so its important that you don't disconnect from your spirit and from your higher source but that you also understand there is a great deal of light and love that is coming to you from the planet as great in its amount or as great in its feeling and in its healing power as that which comes from above. So, we want to be at a place in our physical body where we are receiving the abundance of the planet and we are receiving the abundance of spirit and if we can do that in equal measure we will find that our existence here becomes much more balanced and much easier to move through the physical plane. And it makes also our interactions with other people, much more pleasant and energetic rather than a sense of energy being taken from us, we will find ourselves energized with each encounter. Think about bringing in as much love and light from below as your do from above and you will find the physical body becomes better balances and the spiritual body within it becomes better nourished. As you transverse through this particular plane at this particular moment.

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exist as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

***HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place by your bed or desk, somewhere where you spend a lot of time & let it do its work!
